CLEANING

GENERAL CLEANING

- We recommend the use of soapy water or approved cleaners.
- This product should not be cleaned with abrasive materials.
- Damage caused by any improper treatment is not covered by the product warranty

MAINTENANCE

A periodic inspection of all components and fasteners should be made to ensure that your Comfortel product is structurally intact and functioning properly.

Damaged and broken parts should be replaced and loose fasteners tightened.

All maintenance to be carried out by a suitably qualified tradesperson.
